Shawn/Bill: during the call w/HQ on Thursday, I mentioned that we would prepare a roll-out schedule similar to what we have done in the past. See below for two versions - the Alternate Roll-out schedule follows the format that David B. used and the other is what we were originally using... otherwise they should be identical in substance. Let me or Kathy know if you have any comments, questions.. we should get this to HQ early next week to discuss.
